

## **Alaska Land Mobile Radio Information Assurance Control Review Policy**

### **1. Applicability**

This policy applies to all employees, contractors, consultants, temporary employees, and other workers assigned to ALMR. This policy defines the method by which the annual Information Assurance (IA) Control Review requirements are completed for the ALMR system.

### **2. Policy**

It is ALMR policy that all IA related controls, system requirements and configuration standards, as defined in ALMR policies and procedures shall be reviewed at least annually and in accordance with DOD Instruction 8510.01 and DOD Instruction 8500.02 to ensure continued compliance.

### **3. Procedures**

This policy meets or surpasses the annual IA Control Review requirements for the ALMR system in the form of technical, operational, and managerial control. The ALMR Annual IA Review Procedure 200-06 shall be used as the standard operating procedure for all IA review efforts for the ALMR system

### **4. Effective Date**

This policy shall become effective upon signature and shall remain in effect until rescinded. The policy shall be reviewed periodically and updated, as required.
