

Alaska Land Mobile Radio Radio Usage and Transmission Protocols Policy

1. Applicability

This policy applies to all agencies operating on the Alaska Land Mobile Radio (ALMR) Communications System. Any revision or update of this policy must be approved by the User Council.

2. Policy

All users on ALMR will utilize the System in a professional and courteous manner. Transmissions will be concise and to the point, minimizing air time. The ALMR System is for official business; any abuse of privileges will be dealt with as outlined in the Membership Agreement.

3. Procedures

Successful interoperable communications depend on all agencies utilizing the System in an effective and efficient manner. Establishing a common language protocol, avoiding the use of agency jargon, and minimizing radio air time usage helps ensure the System is available for all users.

Specific standards and requirements are outlined in ALMR Radio Usage and Transmission Protocols Procedure 300-6.

4. Effective Date

This policy shall become effective upon signature and shall remain in effect until rescinded. The policy shall be reviewed periodically and updated, as required.
